## **PRESCHOOL PROGRAM SEEKING STUDENTS FOR THE 2016-17 SCHOOL YEAR**

(Plainville, CT) The Plainville Community Schools' Preschool Program is continuing to expand and seeking Plainville students who will be age 4 by January 1, 2017. The program will run four half-days per week, Tuesday through Friday, and will be offered at each of the three Plainville elementary schools. As a result of a recent grant award, we will also have a limited number of full day slots at all three elementary schools. Transportation will be provided to and from the students' homes and / or childcare provider. The program is tuition free. Students must attend a screening for enrollment consideration.

Screening sessions will be held as follows:

- **Linden Street School: April 25, 2016 - 11:45 AM & 1:45 PM**
- **Frank T. Wheeler Elementary School: May 23, 2016 - 11:45 AM & 1:45 PM**
- **Louis Toffolon Elementary School: June 6, 2016 - 1:30 PM**

Please contact Cathy Demers at (860) 793-3270 x112 for additional information.
